INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll.* Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

App. #17756.

July 2, 1907.

Margaret Jane Bramlett,
Holly Springs,
Georgia.

Madam:-

Your letter of June 22, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that these applications have not been given especial consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 27,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further proof required in connection with your claim you will be duly notified.

Very respectfully,

NLC.
1 inclosure.

Special Commissioner.

Holly Springs, Ga.

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, state where you resided in 1882, and why you were not enrolled at that time.

Where did your grandfather James Moore reside in 1834-35, and 1851, and why was he not enrolled with the Eastern Cherokee at those dates.

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

With what tribe of Indians do you think you are connected by blood?

Very respectfully,

Special Agent.

Dear Sir:

Replying to questions in your letter of the 28th ult. I beg to answer as follows:

I resided in Bledsoe County, Tennessee, in 1834-35, 1851 and in Knoxville, Tennessee in 1882.

I am unable to read and write and knew nothing about this enrollment at those dates.

My father, thru whom I claim, was also unable to read and write and I take it knew nothing about the enrollment in 1851.

He resided in Bledsoe County, Tennessee in 1834-35.

My grandfather, on the side thru which I claim, died prior to 1834, but my grandmother on that side resided in Bledsoe County, Tennessee, in 1834-35

Neither myself nor any of my ancestors were slaves.

Yours very truly,

February 28, 1908.

John Hilliard,
East Lake, Tenn.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, state where you resided in 1898, and why you were not enrolled at that time.

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1854-55? Where were your grandparents on the side through which you claim residing in 1854-55?

If you, your parents or grandparents were slaves, please state whether slaves of Indians or white people.

Very respectfully,

Special Commissioner.

CHD/ALS

East Lake, Tenn.
March 6-08.

Mr Guion Miller, Special Commissioner,

601 Ouray Bldg, Washington, D.C.

Dear sir:-

:- In re my application # 17769:-

Your letter of the 28th inst ultimo. has been received and in response to same will say that I resided in 1882 at Conasauga, Tenn. in Polk county. Tenn. I was only about ten years old at that time and am unable to say why I was not enrolled.

I dont know why my parent though whom I claim my rights was not enrolled in 1851.

I claim my right through my grandmother on my father's side. Her name before she married my grandfather was Elizabeth Johnson, but was commonly called Betsy Johnson.

My grand parrents though whom I claim resided in 1834-35 at Conasauga Polk county, Tenn.

Neither my grandparents or mysely were ever slaves under anybody. I thought that my application showed that I was a white man. If it dosen't it should.

If there is anyfuther information required in this matter, let me know just what you want and I can probly find it out.

Trusting that this will be satisfactory whith you I beg to remain

Yours most truly,

J. M. Hilliard

No. 17769. Miscl.

John . Hilliard, being first duly sworn, deposes and says:

My name is John . Hilliard and I reside at East Lake, Tennessee, and was born in 1872 in Polk Co., Tenn. I claim relationship to the Cherokee Indians through my father whose name was George Hilliard. My father's mother was a quarter Cherokee Indian. My grandmother died when my father was a very small boy and I cannot state anything back of the time of my grandmother. I know of no enrollment of my father or grandmother as an Indian. Back as far as we can remember we have been recognized as white people. My grandmother's maiden name, I have learned since I filed application, was Betsy Johnson. My two sisters who have filed claims, namely, Lou Nix (19027) and Belle Hudson (19017) are both younger than myself.

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1834-35? Were were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, please state whether slaves of Indians or white people.

The Special Commissioner of the Court of Claims for the Eastern Cherokee Enrollment,

601 Ouray Bldg.,

Washington, D. C.

In re the application of Martha Bell Head, Alton Park, Tenn. Application No. 17744.

Dear Sir:

In reply to your letter of February 28th I beg to say that in the year 1882 I resided in Coltewah, Tenn. in James County. In answer to your second question I cannot give the reason for my parents not being enrolled in 1851, except on information, which is that it was merely neglect on their part. My grandparents in the years 1834-35 were residents of what is now McMinn County, Tenn. They were born and lived all their lives in that locality. Neither my parents nor grandparents were slaves.

Trusting that this information will be satisfactory, I beg to remain

Very respectfully,

Martha Bell Head.

I have one sister, Mrs. Sarilda A. Camp, application No. 33515. I know of no enrollment of my grandparents as Cherokee Indians. I was very young when my grandmother died. I am about thirty-seven years of age. I was taught that my grandparents lived with the Indians. My mother never lived with the Indians. I file a letter from my uncle who is the oldest member of the family who knows the history of our family, and I will get an affidavit from him to that effect.

JOHN CURRAN

Pittsburg, Kansas, July 27, 1908.

Hon. Guion Miller,
601 Ourray Bldg.,
Washington, D. C.

Dear Sir:--In the matter of the following applications for participation in the Eastern Cherokee Fund, towit:--George B. Swift, #17003; Nathan Swift, Jr., #17781; Jefferson D. Swift, #17002; Nancy B. S. Martin (nee Swift), #17779; John F. Swift, #17001 and James F. Holt, 1590
George B. Swift, Nathan Swift, Jr., Jefferson D. Swift, Mrs. Nancy B. S. Martin, and James F. Holt, are applicants for participation in the Eastern Cherokee Fund, called upon us, recently in regard to said claims. They do not seem to have any definite idea as to the present status of their claim. Upon all that they said, however, we gather the impression that each of their claims for participation in said fund was rejected by you as special commissioner of the court of claims of the Eastern Cherokee case. We do not know and are unable to learn from them what proof was adduced in their behalf, in their respective application. It may not be wholly out of place and be proper to state in this connection, that the ancestors of said applicants are from eastern Tennessee, and that three eastern Tennessee said applicants' grandfather, Berry Holt, a white man, intermarried with one Bettie Driskill, who was a half-blood eastern Cherokee Indian, and that the said Bettie Driskill was a daughter of Alexander Driskill and Susana Driskill; that said Susana Driskil was a full- blood Eastern Cherokee Indian, her maiden name being Holt. Further that said applicants tell us they are unquestionably the descendents of Eastern Cherokee Indians. We do not know and are not informed at this time, as to whether said Alexander Driskill, after he married the said Susana Holt, (a full-blood Cherokee Indian) continued to be with the Eastern Cherokee tribe of Indians or not; and, likewise, we do not know whether the said Berry Holt, after his marriage to Bettie Driskill, (a half-blood Eastern Cherokee Indian) remained with the Eastern Cherokee tribe of Indians or not. But, presumably, from what has been stated to us, Berry Holt did not continue to reside with the Eastern Cherokee tribe of Indians, as above stated.

We have not investigated and do not know, as a matter of law whether to enable the said applicants to participate in said fund; that their ancestors must have lived with the Eastern Cherokee tribe at the date of the treaties with the Eastern Cherokee tribe, and have been recognized as such by said tribe at the date of said treaties. Probably Susana Driskill (nee Holt) who was a full-blood Eastern Cherokee Indian, was at the time of her marriage a member of said tribe and living with it as such member, and that she was enrolled therewith; and presumably the same is true of Bettie Driskill (nee Driskill).

Mr. Miller, any information you may give us in regard to the foregoing, and relative to the status of the above matter will be thankfully received by us; and if we can in any opportunity to reciprocate the favor, it will afford us pleasure to do so.

Thanking you in advance for any attention which you may see fit to give to the above, we are

Very respectfully yours,

Curran & Curran

I am 51 years of age, and I am the wife of Robinson Bradley #22705. I know Myrtle F. Mimes. She is my step-daughter. I have heard that she had Indian blood through her mother, Mattie Roberts. I was acquainted with the Grandparents of Myrtle Mimes. She got her Indian blood through her grandfather, Willis Roberts, who was a mixed blood Indian. He was born and raised in S. C. He left S. C. just before the war broke out. He was a 3/4 Cherokee Indian. I have heard him say this. He never got any money from the Government on account of his Indian blood. If he had I would have heard of it. None of her ancestors were ever held as slaves.

Sir:-

We have been requested to write you relative to the application of Thomas H. Aaron for participation in the funds arising from the judgment of the Court of Claims in favor of the Eastern Cherokees -Application $ 17787 CHB .

And in answer to your letter of February 28th, Thomas H. Aaron states that he resided at Blue Ridge Georgia in 1882, and at that time he was very young and knew nothing of the enrollment. And that he does not know why his mother - the parent through whom he claims - was not enrolled in 1851, and that she was not living in 1834-35.

His grandmother on his mother's side - through which side he makes claim - resided South Carolina in 1834-35. Neither his parents nor his grand parents were slaves.

Yours very truly,

Allen, Ivins & Lillard.

Thos. H. Aaron being first duly sworn, deposes and says:

That I am 36 years of age and live in Mc Minn Co., Tenn. My postoffice is now Etowah, Tenn. I claim my Indian descent thro my mother; my father was a white man. My mother's mother claimed Indian dese ent. All of my other grand arents were white people. I claim through my great grandmother's mother was Sutey Waga. My great grandmother was a Swaimguim or Swainguim. My mother was born in Abbeville Co., S. C. and left there when she was quite young and came to Fannin Co., Ga. Don't know when my mother was born nor how old she was when she died. She was born before the war. My grandmother's name was Mary Cane. She was born in Abbeville Co., S. C. She died in that county. I don't know whether my mother or grandmother ever lived with the Indians or not. Don't know whether they were ever on any roll or received any money from the government. I am recognized as a white man with some Indian blood. There is no one living who knew my mother and whether she ever lived with the Indians or not. Henry Lively, Melvin and Alex were my mother's brothers. My mother's sister was Mary Jane Lively. Don't know who she married. Don't know what became of them. My mother did not remember her mother; only what her father told her and what her aunt told her is all she knew.

Muskogee, Indian Territory, March 1, 1907,

The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.,

Sir:

Mrs. Nancy Laster (whose application to share in the Eastern Cherokee moneys is attached hereto) intented to claim heirship to all the members of the family under No. 158, unless there shall be better claims presented to any of them; but the Notary Public neglected to show such intention when he prepared the application.

It will also be understood that a great many Cherokee Indian names are difficult to spell in English so as to indicate accurately the Indian pronunciation. For instance: the applicant's mother's Indidn name, Oo-ski-li-yate appears upon the 1851 roll as Ool-skil-le-a-tah; and it is possible that both ways of spelling fail in a measure to indicate the precise Indian pronunciation of the name.

Very respectfully,

Agent for the applicant.

My P.O. address is Vinita, I.T.

Mr. Guion Miller,

Washington, D. C.

Esteemed Friend:-

I have lost or mislaid your full address so must try a random shot in hopes it may find you. I know you must be very, very busy all the time in fixing up the Pay Roll for the great Emigrant Cherokee Payment, so I hope you will excuse this my intrusion, as I have no one else to call on in Washington. I know you are fully aware of the difficulty in preparing applications for our full-bloods, for they go by various namesand localities, and often living heirs do not know the ages or names of parents even, or grandparents, or other near kin, now all dead, but whose shares rightly belong to those now living. I have been trying to dig up and find outfor a woman who did not know her own mother's name, under which she was enrolled. The mother died when this woman was a little girl, She was homeless and friendless. I took her into our family. She lived with us several years, but I knew nothing of her parentage or other kin excepting her Mother. She was almost or quite a full-blood and talked good Cherokee and lived around among the full-bloods having no Home of her own. It is known that she was on the Pay Roll of 1852, but I could not find her English name on the Roll for she had at least three different names. I sent one to you for help to find it, but neither it, nor either of her other names were to be found. This woman I represent does not know a word of Cherokee and had not the simplest idea or thought that her Mother ever had a Cherokee name, and so her case

would have been eternally lost if I had not diligently traced and hunted up among the full-bloods where she last lived and died. Talking and understanding some Cherokee myself, I soon learned the Cherokee name by which she was known and of which I had no knowledge until then. This name I took to Muskogee last week and gave to the Commission, where they soon found the name and proper district where she lived in 1852. I give you this name of the Mother on separate sheet. I asked them if there were other names under the same number and they said "Yes, 5 or 6 of them", but they would not give me any help at all in trying to find the entire amount, how many and to whom this woman may possibly be the only heir. So, this is what I want investigated in Washington through you or your aid, for I can not go there myself, and do not know to whom to apply. On the first day of this month, I mailed from Muskogee the final application for this woman, my client, Mrs. Nancy Lester, a daughter of he mother who appears upon the Pay Roll of 1852 as shown on separate paper slip. It stands to reason that all under the same number belong to the same family, and if no nearer kin appear than Nancy Lester, she must be the only legal and rightful heir for she must have had grandparents, uncles, aunts and cousins. Now I think I have made all plain, and if you can help me and get my application attended to, for I could not get it there before, you will do us a great favor, for which I will thank you very much.

OO-SKIL-LE-A-TAH, Number 158, Tahlequah District.

Foregoing is the name and number as given to me in Muskogee, and tha t is the name of Nancy Lester's mother.

As an addenda, allow me to say that it is well known that Indians often have several names. For instance, Oo-skil-le-a-tah means a boogaboo- witch- something scary- shaggy, "Bushyhead"-- hence the name. Now, there may be some, more or less, with or around this number 158. If so, and if no better claimant appears, I think this claimant, Nancy Lester, as daughter of Oo-skil-le-a-tah, should have the benefit.

Now begging pardon for thus troubling you, allow me to ask if anything, and what was done in relation to the case in which you thought possibly you might use the letter I sent you?

Yours,

L. B. Wittrock.

Malinda Fallen being first duly sworn, deposes and says:

I am 34 years of age. I am enrolled by the Dawes Commission, No. 6067. I ~~sag~~ get my Indian blood from both parents. My mother's name was Sarah Israel nee Crane. She had another man named Book. Book was the first man. Levi Sidney was a half brother of my mother. My grandmother's name was Too-kah. Don't know any of her brothers and sisters, if she had any. My mother had no brothers and sisters older than herself and I don't think my mother was old enough to have been enrolled in 1851. I don't -know in what district they lived. My mother and her mother were not regarded as Old Settlers. They never got any money from the government that I ever know of. Kun-scoo-wee was the name of my grandfather on my mother's side. I don't know anything about him. My father's name was Philip H. Israeel. Dave Israel was a brother of my father. Don't know how old he was. I had an aunt named Lucy on my father's side - another named Lizzie and another Hester. I don't know my grandmother's name on my father's side. Car-selow-ee was the name of my grandfather on my father's side. David was older than my mother. Lizzie was the oldest child, I think. As near as I can remember, my grandmother's name was Nellie. (Witness does not seem to know anything about her ancestors. Every question possible asked to throw some light on the matter, but she doesn't know anything). See G.S. 10

No. 17811 Action: Rejected

Name George W. Sanders and [illegible] children. Residence: Blue Mound, Ill.

Reasons: Applicant born in 1844 in Ill. Father and mother born in Wilson Co., Tenn. about 100 miles from the Cherokee domain in 1835. There is a G. W. Sanders (applicant's father's name) at #391 Saline, but could not be applicant's father as he was living in Wilson Co., Tenn. in 1851. Applicant had three brothers born prior to 1850. None of them were ever enrolled. There are two George Sanders on 1835 roll, one enrolled page 15, Wills Valley, Ala. - 7 in family, three males over 18, three females over 16 and one female under 16. All full bloods.
The other enrolled in Georgia at Talking Rock at page 39. - 7 in family One male under 18, three over 18, one female under 16 and 2 over 16.

I will be greatly pleased if you will advise me of the present condition of these claims, and if there is any way by which the consideration of same may be expedited.

Sir:-

I have the honor to acknowledge receipt of your letter of May 6, 1907, addressed to the Honorable Secretary of the Interior, relative to certain Eastern Cherokee claims, which letter inclosed a communication from P. L. Van Cleve, of Blue Mound, Illinois, bearing date of May 2, 1907. Your letter has been transferred to me for reply.

The claims of George W. Sanders, William D. Sanders and Eda M. Sanders Hawk are duly on file, but they have not yet been given especial consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them. As there are already over 22,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

From the applications, as filed, it appears that P. L. Van Cleve & Son represent William D. Sanders and Eda M. Sanders Hawk

but it does not appear from our records that they represent George W. Sanders.

If further proof or information is required in these cases the parties, or their attorneys, will be duly notified.

Mr. Van Cleve's letter is returned herewith.

Very respectfully,

Washington, D.C.

Dear Sir:-

In answer to yours of February 28th, 1908, I beg leave to report that I could not tell definitely until seeing some of my relatives who live in Oklahoma and I have now ascertained that my mother resided in Wilson County, Tennessee in 1834, 1835 & 1836 and her name was Harriet Singleton but she married G. W. Sanders, my father, sometime during those years, and moved to Illinois in 1843 or 1844.

My maternal grand-parents names were John Singleton and Clara Singleton and they resided in Wilson County, Tennessee in 1834 & 1835 and they never were slaves .

I am a very poor writer and got a party to write this with a type-writer.

Yours truly, Yours Truly

I am the daughter of of Sarah Clark and Huston Clark.

[Note.—Affiants should state how they gain a knowledge of the facts to wh ch they testify.]

Sarah Clark was a Brown before she married and was the daughter Mary Brown a full blood Cherokee Indian. Mary Brown was taken fr Indian Territory when the Indians were removed from Georgia about 1838 and I think her name was then Mary Walters as she had married an Indian named Walters after the birth of my mother.

I was born in Cherokee County, Georgia a few miles south east of Canton and my mother died near Canton. Sarah Clark my mother was enrolled years ago as I was told by my mother. My mother told me about the Indian Blood and her enrollment even when I was a small girl, my mother was a Cherokee Indian and had black straight hair, reddish complexion, black eyes and very high prominent cheek bones. Huston Clark was also a desendant of the Cherokee Indians. and he had the following brothers Alsan & Henry Clark

She further declares that She has no interest in said case and is not concerned in its prosecution.

That I am about 30 years of age and live in Floyd Co., Ga. I claim through my father and his mother. My mother is a white woman and my husband is a white man. My grandfather Davis was a white man. My grandmother was a full blooded Cherokee. I do not know where she was born, but I suppose she was born in Cherokee Co., Ga. My mother nor grandmother were never on any roll that I know of. My father was never on any roll and he never lived with the Indians as a member of the tribe that I know of. Don't know when he was born. I think my grandmother Barnett lived with the Indians before she was married, but don't know for sure. Don't know when she was married. If my father was living now he would be about 75 years of age. I am recognized as a white woman with Indian blood. This is the only application I ever made for Indian benefits. I know my grandmother had one brother named Billie Barnett, but that is the only one I ever heard of. Don't know what became of him. Never saw him. Don't know whether he ever lived with the Indians or not.

App. No. 17835

December 11, 1907.

Henry M. Grier,
Holly Springs, Ga.

Sir:-

Relative to your application, No. 17835, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you state your grandparents and great grandparents, Aquilla Grier and Sharonick Grier whose maiden name was Sharonick Doggett, were all part Cherokee Indians. What degree of Cherokee Indian blood did they have? How do you know they were part Cherokee Indians? Were they ever recognized by the Cherokee tribe? If so, where did they live, and if living in 1835 why were they not enrolled at that time?

Why was your father, Joshua Grier, Sr., and mother, Susan Grier, not enrolled in 1835 and in 1851. Did they receive any money paid by the Government to the Eastern Cherokees in 1851?

Was your father, Joshua Grier and mother, Susan Grier, recognized Cherokee Indians during the time of their lives?

Were you or any of your ancestors ever held as slaves?

Where was your brother, Joshua Grier, Jr. live, and why did he not make application to share in the fund for the purpose of which this roll is being made?

H.H.G.-2

For the purposes of the present enrollment, claimants are only required to show their connection with the Eastern Cherokees at the time of the treaties of 1835-6 and 1846, or that they are descended from Indian ancestors who were recognized Cherokee Indians at those periods.

Very respectfully,

Special Commissioner.

Henry H. Grier, after being first duly sworn, deposes and says:

I am 56 years of age; was born in Cherokee County, Ga., and have lived here all my life. I claim Cherokee Indian blood but do not know if through my mother or father. I have heard all my life that I had Indian blood. I have heard my father talk of being among the Indians but do not know if he lived with them. He did not speak the Indian language. My father farmed mostly. I do not remember my grandparents. Have heard that some of my grandparents lived in South Carolina. I have never received any Indian money from the government and if any of my relatives ever did never heard of it. I never heard of Hester, the government agent about 1882. If my mother or father ever spoke of a government agent being through here about 1852 I do not remember . My father was a voter.

Sir:- In reply to your questions in regard to my claim, in favor of the Eastern Cherokees, will answer best I can. The reason why I was not enrolled in 1852, was because I didn't know at that time that I was of Indian descent.

My father died during the year of 1863 when I was only three years of age. Being an only child, and having very few relatives on my father's side

I never heard much about his people, as my mother remained with her mother after his death. I have always lived in Giles & Middle Tenn. and also all my people that I knew anything about. Why my parents was not enrolled I do not know. I am not able to say. The most I know about grandfather Paine was what I have heard an old neighbor say, one of grandfathers associates said he had told him that he was of the Indian blood but seemed to keep it a secret as he never spoke of it only to his

closest friends. This man was one of the witnesses when I was enrolled in 1892. My claim was sent to J. P. Mullen & D. F. Smith, Ft. Smith, Ark.

No, neither my parents or grand parents were slaves.

Please let me hear from you again soon.

Respt.

Your letter recd to-day.

I am sorry to say that I can't possibly meet Charles H. Bradley in Decatur on Friday June 26, because I have been sick for the past two months, and am not able to take the trip.

I have already sent up all the proof I have. The two witnesses I had when my application blank's were filled out & sent to J. P. Mullen, Ft. Smith, Ark. are both dead. If they were living to-day I think my proof would be sufficient. I have heard them say that grandfather had told them that he was of the Cherokee Indian blood, but was very sensitive & peculiar in his ways. Let me hear from you soon. P.O. #4.

Miami I T 2/16/07.

Dear sir or ~~madam~~: We have within the past year secured judgement for $5000000 00 in favor of Eastern Band of Cherokees, in the U S Court at Washington, and congress made appropriation for payment of same last June just before adjournment. Among this "Eastern Band" ancestors of claimants belonged. Any descendant of the Eastern Band who establishes legal rights will be entitled to share in this fund, which is estimated to be about $250 00 each. You may execute the inclosed papers and send to me early, as the time has been extended for those who have been slow in making application; and you will please send $1 00 for incidentals. Those of legal age must sign papers for themselves. The payment of this money depends upon heirship and not citizenship. The court said in part:

"It follows necessarily that each and all of the present communal owners, whether on the west or east of the Missippi and whether descendants of Eastern or Western Cherokees, have the same individual interest in the fund, and will be entitled to like amounts per capita," -each will share and share alike.

Very truly yours,

Sir:-

Your letter of April 8, 1907, addressed to the Honorable Secretary of the Treasury, has been referred by him to this office, and you are advised that it is impossible to state, at this time, just what share each successful claimant for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, will receive.

There is something over $4,000,000 to be distributed, and at the enrollment of the Eastern Cherokees in 1851 there were something over 16,000 Eastern Cherokees enrolled; this would make the share of each of those then living about $250, as stated by Mr. Edmiston.

Very respectfully,

Chief Clerk.

Replying to your letter of August 29, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

G. E. Mayden being first duly sworn, deposes and says:

That I am 38 years of age. I claim my Indian descent through my father; my mother was a full blooded white woman and my wife is a white woman. My father was 51 years of age when he died. He was born in Va., I believe. He was not born in Tenn. as I have it in my application. He left Va. when he was very small, about four years of age and went to the southern part of Missouri, Green Co., I think. He claimed through his mother. I think that she was born in Virginia too. I think she has been dead about 26 years and was about 70 years of age when she died. My father nor his mother never lived with the Indians as members of the tribe. They were never on any Indian rolls and xxx never received anything from the government. My father was recognized as a white man but was considered as having some Indian blood. He was 1/4 Cherokee Indian. Bill, Arch and Henry Mayden are brothers of my father and they are now living. This is the only application I ever made for Indian benefits.

Very slight Indian - of Indian blood

Dear Sir:

When I filled out my blanks for Indian Pension I lived in Cherokee County, Ga., but moved from then to Floyd County some two years ago; and now get my mail from Adairsville post office on Rural Route #4.

The question blank you sent me last year was forwarded to me here and I filled it out here. Since which time I have heard nothing further from it.

If my claim was allowed, or if there shall be any thing coming to me, can you send it to me here? If there are any other papers for me to fill out, I can attend to that at Rome, Ga. our County site.

I shall hope to hear from you at once.

State the full names of your grandparents on both sides? Were any of them ever enrolled as Eastern Cherokees? If not, why? Why have you never been enrolled? Were any of your ancestors slaves?

Give any other information obtainable tending to establish your right to share in this fund.

Mr. Guion Miller
Washington D.C.

Esteemed Gentlemen:—

In reply to yours of Feb. 14" in regard to my application for participating in funds arising from the decree of the Court of Claims in favor of the Eastern Cherokees, I herewith submit the following answers.

1st" In 1851 my mother was only about 7 years old. I have heard

her say that her parents were ashamed to claim they were Cherokees. - do not know but suppose this is why they were not enrolled.

2nd I do not know the names of my grand-parents on father's side but could find out if its necessary; There was no Cherokee blood on his side. On my mother's side my grand-pa's name was Daniel Martin, and his wife (my grand-ma) was Sallie Martin (ne Elmore)

Neither of them were ever enrolled, but do not know exactly why.

I was of the impression that I was enrolled or would be soon. Mr. M. Edmiston, Atty at Miami Okla. wrote and I would be enrolled I paid him for it.

No. None of my ancestors were Negroes.

The ancestors thro' whom I claim the right to share in this fund, were; My mother, Mary E. Davis (Martin); my grandmother Sallie Martin (ne Elmore); My great-grandmother, Hannah Elmore (ne Quinn) and my great grand-

Dear Sir:-

In Re,A.L.S., # 17674-6579.

In response to your letter of March the 2nd, 1909, beg to advise that my oldest child, to-wit: William S. Sanders was duly enrolled by the Dawes Commission, under roll NO. 3504, and that my other minor child, to-wit: Bessie E.B. Sanders, is what is known as one of the"too lates",, and I haven't the data in my posession to show what her roll number is at the office of the Commissioner to the Five Civilized Tribes.

I have also made application for an allotment of lands for her. The father of my two children, to-wit: Elija B. Sanders, was enrolled under roll NO. 3502.

Personally I am not claiming any rights in the distribution of this Emigrant money on account of blood, as I am a white woman, but am claiming as the widow of Elija B. Sanders, both for myself and his minor children as above stated.

My oldest child, William S. Sanders, was born on February 23rd, 1902; the second child, Bessie E.B. Sanders, was born April 8th, 1903, and are members of the Cherokee tribe of Indians.

If there is any further testimony necessary to establish our rights to a portion of this fund, you will please notify my

Joseph C. True,

Sir:-

Your letter of July 2, 1907, relative to the applications filed for yourself, wife and daughters, is at hand.

You are advised that none of the applications for participation in the Eastern Cherokee fund have been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 29,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your claims you will be notified.

Very respectfully,

NLC.

Special Commissioner.
